FROM ROOM 7: MS GARWOOD - My Holiday

On Wednesday before New Year I slept at Aunty Andrea's house for one night without Mum and Dad. Samantha, Nick, Aimee and me got in the pool in the back yard. The dogs were on one side and on the other side was the pool. We got to walk two dogs and their names are Bob and Bill. We went in the pool two times. I went to the chiropractor with Aimee, Nick, Aunty Andrea, Samantha and me because Aimee had an appointment with Deane.

On Friday before New Year I went up to my Aunty and Uncle Debby and Vaughan's place in Kerang. We went to the pool three days in a row. I went on the big slide at the Kerang pool. But Samantha did not go on the slide because she had grommets put in her ears. We stayed for 5 days and 4 nights. We had a rest the next weekend. By *Maxine*

On my holiday I went to Woodend with Caleb and my Dad. We went to see my cousins Maddie, Molly and Thys. Their parents names are Shannon and David. We slept there for 3 nights. On the second day we all went to Hanging Rock. Caleb and me had lots of fun climbing big and high rocks. The very next day Maddie, Shannon and me made donuts and icing. After a while we got the donuts out of the fridge and ate them. They were delicious. My icing was pink, Caleb's was blue and Rhys was green. On the third day we went home and went to Mums. When Australia Day came we went to a friend's pool. It was great fun. On Sunday we went back to Dad's and got in his pool. After we got out of the pool we watched a movie together. By *Ruby*

On the holidays I went up to my Dad's and it was soooo fun. We did plenty of things when we were up there and I will tell you them in a list now. Please enjoy my list. We went to a fun park, a fair, some pubs, Opas, Mama, Wendy's, a river, the pool, the beach, a lighthouse, a waterfall and much more. We had tons of fun up at Dad's and the best thing about it was that we got to spend time with the other side of the family and that we found out that our Aunty was pregnant.

Once I left school I missed all my friends and teachers. I also missed the school. But as soon as I left I knew it was time for the holidays. CHRISTMAS!!! When my family got ready for a spectacular celebration, I was in my room getting ready for a swim in the pool. Because the way we celebrated is traditional and this is how we celebrated. We had a cool swim and a BBQ with rissoles, sausages, burgers and heaps more. I got heaps of presents especially big ones. One I even had to rip open with my teeth. BIRTHDAY!!! Another fun thing in the holidays happened which was my fabulous birthday. My great cake had Darth Vader carved into it and the leftovers I got to bake. It tasted delicious and the black icing Mum used for my cake stained your tongue when you ate it. It was priceless! (Yum.) AUSTRALIA DAY!! Finally, Australia Day came to visit. I had so much fun. We have a cubby house with stairs, rope ladder and a slide. At night we used the slide as a water slide. By *Lara*

My holidays went well. First I had Christmas and I got the perfect presents. Next we waited for the New Year to come. We had to sleep in the lounge room on New Year's eve night. On New Year's day I made a happy scream. Next I went to the pool four times then I went to Water Gardens Shopping Centre. We went to Target, Subway, Ali Baba, McDonalds, Wendy's, Big W, JB Hifi and Dick Smith..... By *Breanna*

On the holidays I went to my Dad's. I got a new bike. I have two scooters at my Dad's house. I have 1 dog and 12 fish. I have a school around the corner. I play on it and there is a car park and I go over it and the dump. By *Marli*

On my holidays I went to the beach for a week. Then I went home. The next day I got my PS3 and I got 3 games with it. They were Red Dead Fedemshun, Medal of Honour and Uncharted 3.

It also came with one controller and a charger. I went to the movies a few days later and I saw Hugo. The next day I went swimming in the pool and I bought heaps of lollies. Then I went home for the rest of the holidays then I went back to school. By *Ethan*

On my holidays I went camping at Geelong. We were down the road from the beach. We were there for three hours, that's what we did first. Secondly we went to our friends caravan park. We took our scooters so we could ride. It took ten minutes to find them at the caravan park. Thirdly we went back to the tent and went to sleep. On the second day we had a BBQ for breakfast. We went to the shops to see what was there. First we went to Target. It was the size of a classroom. All it had was books and clothes. We went to a water park all day. We went on lots of fun rides my favourite was the aqua racer. By *Trey*

On my holidays I went to a water park. The first thing I went on was a big water slide. I got a lot of water in my mouth. Secondly I went to Trey's brother's birthday. We played cricket. Then we went sleeping out the back but I was scared so I slept inside. Thirdly Mum picked Katie and I up and we played tennis. It was a bit hard but the scores were two one. We lost but it was fun. After Luna Park we walked to a restaurant. We had ice-cream. Christmas was the next most exciting thing in the holidays. I got lots of stuff. My 2 favourite things are my portable DVD player and the pool we share. Well next on the list is my Auntie's birthday. We went to Daylesford because Aunty and Uncle Matt were staying in a hotel. In the back yard there was a Jacuzzi. Their house was the only house with a Jacuzzi. By *Lily*

On my holidays I went to my dad's. it was fun. I played WM3. It is an awesome game. We watched Real Steal and there was a robot called Zuse. Then the next day I went to the lounge room and so did my brother and Dad woke up and said do you want to come to the Market Place. We had lunch there then we had a look at some of the shops and games like Sonic and Mario. Then my dad said that he wanted a coffee and I tried to steal one of his coffee beans.

My holidays were the best ever. I went to all these different places. The first place I went to was Gol Gol to meet my grandpa for the second time in my life. Ebony, Mum and I stayed over for three nights. Well for a few weeks I went nowhere at all. A week before I went to Rosebud my good pal Ruby came over. We played on the Wii. We played Kirby Epic Yarn and we finished the game. And when Ruby saw my baby alpaca, Galactica, she wanted to take him home. The week after Ruby came I went to my Dad's house. We packed to go to Rosebud at 3 o'clock in the morning. Once we got to Rosebud I was so happy. We went to our campsite and we set up. By *Tabitha*

On the school holidays I went to the movies with my nanna and we saw Alvin and the Chipmunks 3. It was a good movie. for Christmas I got a lot of SpongeBob stuff including a SpongeBob doona cover, a SpongeBob handbag, a SpongeBob beach towel, a SpongeBob yo yo, billions of SpongeBob toys and SpongeBob perfume and shower gel. A couple of weeks after Christmas, me and my family went to Apollo Bay. It was really awesome there because we went to the beach everyday and the best part of the trip was that we got to go to the ice-creamery. I had a double scoop, I had toffee and passionfruit. The worst part

of the trip was the drive. It took about 4 hours but we stopped at McDonalds. After we went to Apolla Bay Nanna took me to see the Muppets Movie. it was also a pretty good movie. By *Natalie*

At Christmas I had the best day out of my whole holidays. I got heaps of SpongeBob stuff, so much I won't be able to tell you. On New Year's Day it was the worst day ever. I was at my friends house and I got kicked in the stomach and a girl swore at me. On the other days I watched TV and had friends over like Lara and Natalie. It was fun. I had a good time after all. I loved my holidays but I miss school. By *Taylah*

FROM ROOM 11: SING - Election Speeches

Good morning. I am here today to explain why I strongly believe that I should be our member on the JSC. Firstly, I think for someone to be part of a leadership group you need to have the organising skills, which I have got. I have been helping organise things to do when we go to America. Secondly, I am very trustworthy and honest which are two big things you should have when you are committing to things like this. In the past I have been very honest and trustworthy to both friends and family. Last but not least, I would be honoured to represent our class on the JSC. I will listen to your concerns and raise your issues. I have great leadership abilities, which are needed when you are taking on a job like this. I believe I can be a great leader for 5/6S on the JSC. To conclude I strongly believe that you should vote for me because I have the skills to do a great job. Thank you.

Hello. Today I would like to run by you a few reasons why I think you should vote for me to become one of the Junior School Council members for 2012. Firstly, I am an experienced Junior School Council member as I have been in it three times before. Secondly, I will be an organised member of the Junior School Council team as I am always organised and ready to learn for class in the morning. Lastly, if elected I will represent 5/6S at the meetings and talk about the classes ideas or suggestions. Therefore I strongly believe I will be a great choice for the Junior School Council team. Hello. Today I am going to tell you why I should be elected to be a Junior School Council member. Firstly, I am very creative. I have planned many parties and fun days out for the family. Secondly, I am very organised. When I have planned parties and other fun things I have always been ready and I have always had the right equipment to get started. Lastly, I am very imaginative. I am always imagining things and writing fantastic stories off the top of my head. In conclusion, I strongly believe I should be elected to be in the Junior School Council. By *Maddie C*
