Dogs Are Better Than Cats

Dogs are the best pet they are very playful. They are very fast. They lick you everywhere and cats are BAD PETS they hiss and scratch and go in drains, cats are supper BAD PETS. Dogs are fun!!!!!!!

DOGS ARE GREAT FUN TO PLAY WITH.

FIRST dogs can play heaps of games like kill the monkey and coki , fetch, tug-of-war and tiggy.

By Aaron F

Dogs are better than cats because dogs don't hurt or hiss and scratch.

And if you try to touch it but it will run far away. Dogs curl up. They can swim and cats can't. When you try to talk to them dogs talk back and cats don't. Dogs are happy and cats can't. Dogs go to the potty and cats don't. And cats follow you

And dogs don't. When you teach the dogs something they do it but when you try to teach cats they don't do anything. They are all kinds of dogs. I think dogs are way better than cats. And also you can tech dog same and heaps of tricks.

Dogs Are Better Than Cats

Dogs are caring pets. And they wag their tails when they want to play .Puppies are way cuter than kittens.

Firstly dogs are great fun to play with. Dogs are man equals mans best friends. Sometimes they roll over, play dead, and fetch, army crawl, dance and stay.

Secondly dogs do not leave hair everywhere. Dogs help blind people cross roads and go places. You can tell them to do stuff but cats won't because they are lazy.

Thirdly cats sometimes scratch your face and legs. Cats always sleep on your face a night time. Dogs lick your face when you always nice and they love you.

I think dogs are AWESOME because I hate cats because my kitten scratched my best friends sister on the face. Dogs Rules.
